

Attention: Teachers of Years 7 to 10 Mathematics

**PD4MaTHS** presents ...

**MathTastical Fishing:  
Teaching and Learning Resources for Engaging Students  
in the  
NSW Syllabus for the Australian Curriculum**

Presented by Tracey Hughes-Butters

This 2-day hands-on workshop will provide ready-to-use resources for teachers of Years 7 to 10 Mathematics, and practical advice on how to make mathematics lessons more engaging and exciting for your students while enhancing the content of the new syllabus.

Tracey has been teaching mathematics at all levels in a variety of schools since 1982 and enjoys sharing her experiences, resources and ideas to support quality Mathematics teaching and learning.

Some use of technology will be included, so please bring your laptop and charger. Some iPad apps will be presented on the days so either bring an iPad or sit back and observe. A list of the apps will be emailed to participants so that they may be downloaded prior to the workshop.

**Day 1: Wednesday April 29**
